AB 2320 as amended in Senate August 10, 2026

(Pursuant to Joint Rule 26.5)

AB 2320, as it passed the Assembly, for Homekey awards made on or after July 1, 2026, required the Department of Housing and Community Development to consider allowing applicants that utilize funds for adaptive reuse to be subject to the same timelines as new construction.

The Senate amendments instead require the department to consider allowing applicants that utilize funds for adaptive reuse to be subject to the same timelines as new construction if the adaptive reuse involves substantial rehabilitation, reconstruction, or demolition of an existing structure. The Senate amendments define “substantial rehabilitation, reconstruction, or demolition” for these purposes to include a project in which at least 55% of the existing structure is demolished, replaced, or substantially reconstructed.

Vote: 41. Substantial substantive change: yes.

AB 2415 as amended in Senate August 10, 2026

(Pursuant to Joint Rule 26.5)

AB 2415, as it passed the Assembly, authorized a transit-oriented development alternative plan to reduce the capacity in a transit-oriented development zone in total units or residential floor area by more than 50% if certain requirements are met.

The Senate amendments make nonsubstantive changes to incorporate additional changes to Section 65912.161 of the Government Code proposed by AB 2576 to be operative only if AB 2415 and AB 2576 are enacted and AB 2415 is enacted last.

(Pursuant to Joint Rule 26.5)

AB 1933, as it passed the Assembly, required a county surveyor to return a nonconforming record of survey to the presenting licensed land surveyor or registered civil engineer with a written statement of the changes necessary to make it conform.

The Senate amendments instead require the county surveyor to return the nonconforming record to the presenting licensed land surveyor or licensed civil engineer.

AB 1933, as it passed the Assembly, made nonsubstantive changes in provisions that require a county surveyor or engineer to examine a submitted corner record for compliance with specified monument identification and tagging provisions.

The Senate amendments delete the authority of the county engineer to examine a corner record and make conforming changes.

(Pursuant to Joint Rule 26.5)

AB 1632, as it passed the Assembly, removed the requirement that the submitted form for a request to a peace officer for assistance in dealing with a trespass be notarized.

The Senate amendments additionally require the request to include a written declaration, signed under penalty of perjury, that the requestor is the owner of the property and has legal authority to request the assistance, that the information provided in the request is true and correct, that the requestor acknowledges that law enforcement may rely on the declaration in taking enforcement action, and that the requestor is required to notify law enforcement if they no longer have legal authority over the property or if the request is withdrawn. The Senate amendments also authorize law enforcement to reasonably rely on the above-described declaration unless it has actual knowledge that the declaration is false.

Legislative Counsel's Digest

AB 1184 as amended in Senate August 19, 2026

(Pursuant to Joint Rule 26.5)

AB 1184, as it passed the Assembly, among other things, required the board of directors of an association managing a common interest development, if the association becomes involved in litigation, to provide notice of the occurrence as part of the annual budget report distributed to members, as provided, authorized a member receiving the notice to request the name of the court and case number of any litigation, required discussions regarding ongoing litigation to have the case name included as part of the executive session meeting minutes, required notice to be given at the beginning of every open session of the board that the meeting is being recorded, exempted an election to amend the operating rules from a requirement that certain elections be held by secret ballot, and limited the costs and fees that a court is required to award if it finds that an association unreasonably withheld access to association records, as provided.

The Senate amendments, instead, require discussions regarding ongoing litigation to have the case name, case number, and name of the court included as part of the executive session meeting minutes, require the notice of recording to be given only for meetings that are recorded, authorize a recording used solely for creating meeting minutes to be deleted 12 months after the draft minutes are completed, require the board to make a physical copy of the minutes of a board meeting available to a member who requests a physical copy, as provided, require the minutes of a board meeting to include how each director voted on any amendment, adoption, or repeal of an operating rule, require the association's annual budget report to also include a statement listing any active litigation in which the association is named as a party, as specified, and recast provisions related to informational or ministerial communications between members of the board of directors.

(Pursuant to Joint Rule 26.5)

AB 1128, as it passed the Assembly, contingent upon an appropriation of one-time funding by the Legislature, established the California Student Teacher Support Grant Program, under the administration of the Commission on Teacher Credentialing, to compensate teaching credential candidates while they perform required student teaching.

The Senate amendments delete the contents of AB 1128 and instead revise provisions governing the amount that management of a mobilehome park may increase rent by. Specifically, the Senate amendments extend a specified rent increase cap applicable to a mobilehome park that is located within and governed by the jurisdictions of 2 or more incorporated cities until January 1, 2036. The Senate amendments also apply a similar rent increase cap to a mobilehome park located in the City of Torrance, as specified, until January 1, 2036. The Senate amendments make legislative findings and declarations as to the necessity of a special statute for the City of Torrance.

AB 605 as amended in Senate August 21, 2026

(Pursuant to Joint Rule 26.5)

AB 605, as it passed the Assembly, enacted the Lower Emissions Cargo Handling Equipment Pilot program to prohibit the State Air Resources Board from adopting a future regulation that would prohibit or restrict the use of any cargo handling equipment, as defined, purchased pursuant to the pilot program before December 31, 2027.

The Senate amendments delete those provisions and, instead, establish the Refinery Safe Staffing Task Force to develop potential methods and strategies for ensuring maximum employee retention at refineries during, and especially in the time period preceding, a refinery closure or long-term idling, and addressing employment dislocations associated with oil, gas, and related industries.

The Senate amendments require the task force, no later than June 1, 2029, to present to the Legislature and make available online to the public a report that documents a wide range of potential methods and strategies for ensuring maximum employee retention in the time period preceding refinery closure or long-term idling of a refinery, for ensuring safe operation in the event of understaffing, and for transitioning oil and gas workers into sectors that match their skills and experience. The Senate amendments include related legislative findings and declarations.

The Senate amendments make these provisions inoperative on July 1, 2029 and repeal them on January 1, 2030.
